

PBCA Membership Application

MISSION OF THE PBCA : The mission of the Piedmont Border Collie Association (PBCA) is to preserve and enhance the integrity of the Border Collie. We will strive to preserve the working attributes and intelligence of the breed by promoting a better understanding of the breed's unique herding abilities and promoting a spirit of encouragement and support for all activities in which Border Collies excel. In addition we will promote responsible breeding and ownership and work to prevent exploitation and abuse of the breed. Our **vision** is a club that spans the interests and activities of all its members and provides a regional structure for Border Collie rescue, public education, and Border Collie events.

PBCA GOALS

1. Maintain the Border Collie's outstanding herding instinct and ability.
2. Support the rights of Border Collie owners to pursue any activity they wish.
3. Promote and participate in Herding, Agility, Obedience, Tracking, and other events. Early emphasis will be to establish AKC herding in our region and to encourage participation in local ISDS style herding events.
4. Promote Border Collie Rescue.
5. Educate potential Border Collie purchasers regarding the activity level and intelligence of the breed.
6. Educate Border Collie breeders on their responsibilities to the breed.
7. The ultimate goal will be to receive AKC sanctioning in all performance events so that we may organize a regional AKC Border Collie specialty celebrating Border Collie Versatility.
